ITNBluegrassTM
Dignified transportation for seniors

March 2018

Letter from the (now former) Executive Director....

It's a little sad to be writing my last newsletter, and I wish all of you — and ITNBluegrass — well as I move on to a new job with Bluegrass Care Navigators (formerly Hospice of the Bluegrass). I'll be doing presentations and getting out into the community, so I'm hopeful some of our paths will cross again!

Thank you to those who came to my reception on February 28 and to the board members who put it on. It was a really nice day, and I appreciate the kind words and lovely send-off.

My replacement has been chosen, I believe, and I hope you will welcome her as you did me.

Please don't be strangers: my cell # is still 859-351-0460; my new email is laura.dake1@gmail.com. Call or email me anytime! Fondly, Laura Dake
