25,000 Ride!

Lexington Mayor **Jim Gray** delivered our 25,000th ride by taking **Bettie Tuttle** from Hanover Towers to her dry cleaners and bank and back home again.

But there is no resting on our laurels. Look to the left under "Spring Facts" to see how many rides we've done as of April 30!

Rider/Driver/Donor Appreciation Reception March 10!

Letter from the Executive Director, Laura Dake

Happy spring to all of you! This issue, there are lots of pictures because we've been busy and we want to show you what we've been busy doing! From our **Rider/Driver/Donor Appreciation reception** in March to the **i know expo** in mid-April to our **25,000th ride** about a week after that, we have had an exciting year so far. It's hard to believe that fewer than six years ago we were working to convince people to take a chance and support a new senior transportation service in Lexington.

So where do we go from here? Well, in the short term, we continue to provide a great service and work towards **50,000 rides**! In the coming months, though, I'll be telling you about some new initiatives and ideas for ITN*Bluegrass*. No worries — we are not tinkering with the service itself, but do have some ideas for improving our financial footing, our reach in the community and our efficiency. With your help, we will be around for many years to come!

You'll also be hearing more about plans for the 2014 **i know expo**, which will happen next April 27. The first expo was a great success; many sponsors and exhibitors have already asked us to "save them a place" in 2014!

Some pictures from April's inaugural i know expo!

1,000 people were in attendance. If you weren't one of them, be sure to put Sunday, April 27, on your calendar for next year's expo. If you did come, do the same thing!
